Advanced Diploma in Accounting & Finance (ABRS Degree Access Program)

Professional Learning Services

Course Objectives:

This comprehensive advanced diploma program in Accounting and Finance aims to train and to bridge professionals in the fields of Finance, Accounting, Business Administration or to those who are intending to pursue a career in this financial and accounting fields. This program consists of series of lectures, tutorials and examinations to develop candidates with practical skills and contemporary knowledge on the most needed competency required by the industry. Hong Kong, as the leading financial centre in the world, is the bathing ground for many companies, financial products and activities. As a result, ample careers and business opportunities arise from the finance and accounting areas in Hong Kong.

Program Structure:

The Advanced Diploma in Accounting and Finance offered and awarded by ABRS will consist of 6 modules. The program will serve as a benchmark or gateway for students graduated with various awards to prepare the necessary academic background before entering onto the final year of the Bachelor of Arts (Hon) in Accounting and Finance* offered by University of Greenwich, UK. The 6 modules are:

Stage A (HK\$8,400 - \$2,800 per module)

- Business Law (Paper 1)
- Financial Accounting (Paper 2)
- Information Systems (Paper 3)

Stage B * (HK\$13,200 - \$4,400 per module)

- Business Taxation (Paper 4)
- Management Accounting (Paper 5)
- Financial Reporting (Paper 6)

The Advanced Diploma in Accounting and Finance will last from 4 months to 9 months depending on your entry qualifications. Each module consists of around 40 face-to-face lectures hours, an assignment and a 3-hours examination. The Advanced Diploma offered by ABRS with articulation from University of Greenwich – Business School meets the entry requirement to the final year BA (Hon) in Accounting and Finance. Student may apply for a maximum of 4 modules exemption from the Advanced Diploma.

Admission Requirement:

Students possess

- (1) Diploma or Higher certificate or Associated degree in accounting / finance from one the recognized technical institutes / universities, OR
- (2) passed or exempted ACCA Level 1, OR
- (3) passed or exempted CIMA papers 1, 4 & 7, OR

Advanced Diploma in Accounting and Finance

COURSES OUTLINE for SIX MODULES

(1) Business Law (Stage A)

AIMS: to develop student's ability to explain fundamental aspects of the organization and operation of legal system, to explain the elements of the tort of negligence and the manner in which the tort impacts upon professional advisers, to identify and explain the essential elements of a simple contract, what is regarded as adequate performance of the simple contract, and the remedies available to the innocent party in the event of a breach; to explain the essential differences between sole traderships, partnerships and companies limited by shares; to explain the ways in which companies are administered, financed and managed; and to apply legal knowledge to business problems and communicate the explanations in an appropriate form.

(2) Financial Accounting – International Accounting Standards (Stage A)

AIMS: to develop student's ability to explain and evaluate the regulatory framework governing the preparation of financial statements and corporate reports; prepare financial statements for non-group enterprises; identify and apply the correct treatment for transactions in accordance with International Accounting Standards (IASs); analyze the position and performance disclosed by the financial statements of a non-group enterprise.

(3) Information Systems (Stage A)

AIMS: to develop student's knowledge and understanding of information Systems development and delivery as required to take an informed and active role in information systems solutions.

(4) Business Taxation (Stage B)

AIMS: To develop knowledge and understanding in the core areas of tax related to businesses and their employees.

(5) Management Accounting (Stage B)

AIMS: Decision Making builds on the introduction to costing and accounting systems and decision making provided by Management Accounting Fundamentals and Performance Management, and covers investment appraisal, international business and management accounting issues and developments.

While this subject will develop students' ability to apply a range of management accounting techniques and decision-making tools to the business environment, students will also have to demonstrate an understanding of these tools and the issues that surround their use.

(6) Financial Reporting (International) (Stage B)

AIMS: To build on the basic techniques in Preparing Financial Statements and to develop knowledge and understanding of more advanced financial accounting concepts and principles. Candidates will be required to apply this understanding by preparing and interpreting financial reports in a practical context.

**** Important Message - CEF Application and Payment:**

Please kindly note that you need to **APPLY and PAY PRIOR TO COMMENCEMENT** for all CEF funded courses.

Any late payment whether due to loan approval or whatever reasons may not be accepted by the CEF office and we could not take responsibility for any reject of your claims.

Please also take note that we could not guarantee any approval and it is entirely your responsibility to make prompt payment and to undertake any potential late charges if so incurred

Successful Completion and Claim for Refund:

Please note that you need to complete the course with a subject final mark of no less than 50% and attendance rate of 80% for Government refund eligibility. Please apply for refund within the specified time frame.

Please contact Mr. Steven Tam (25881817) or your Course Service Administrator for any questions you may have.

ABRS is NOT responsible or liable for / and does not guarantee CEF reimbursement. Otherwise then required by law, we accept no responsibility for any non-approval whether due to our delay or omissions of certain acts on our part.

If a CEF approved module need to be changed from the officially confirmed schedule or specification, the enrollee may choose to withdraw and refund the course fee paid before commencement (or on a pro-rata basis after course commencement).
